

At Sally's Residential Care Home, [elderly assisted living](#) is set up to feel exactly like a home environment. Our [assisted living centers](#) are located in highly desirable areas – one at Las Posas state area and the other within walking distance of leisure village. The environment allows our goal of providing an active, engaged living experience for our residences to be achieved through daily walks, exercise and outside activities that take full advantage of the beautiful weather in Camarillo, California.

There is certainly no shortage of [assisted living companies](#) that make big claims about excellent **elderly assisted living**. However, few can boast medical care credentials of Sally's Residential Care Home. Founded and run by state board certified registered nurses Sally and Kayhan Mojabi, our staff is all trained in first aid and have frequent trainings by licensed professionals on geriatric needs such as medication management, recognizing the effects and side effects of medications and other emergency needs.

Perhaps what really sets our elderly assisted living services apart is the 24-hour care offered for the individual physical and emotional needs of our residents, including an specially designed plan of care for each resident. Comprehensive daily care includes dressing, bathing, personal hygiene, and incontinent care, and as necessary, occupational, speech therapists and even primary care physicians are even utilized.

If you have questions regarding our [assisted living facility](#) , contact us and we'll put you in touch with one of our friendly, empathetic and knowledgeable representatives. We are always eager to spread the word regarding our first-rate services, so call today.
