We know that, for many people, there are a large number of often conflicting priorities to be considered when placing themselves or others in an assisted living facility. At Sally's Residential Care Home, we seek to provide the highest level of service for all of our residents. Owner/managers Sally and Kayhan Mobabi are committed to providing outstanding and highly compassionate care in a pleasant, home-like environment. While there is no way to provide these services without a certain level of expense, we do seek to keep costs as affordable as possible. We work hard with residents and families to develop viable plans that take all the important factors into consideration.
