services are tailored to the needs of your loved one. From meal customization to medication management, we supervise the daily routines of your family member to make sure it fits their needs. Furthermore, we take pride in the professionalism of our

personal care home

staff. Sally's Residential Care Home is run and owned by a team of Registered Nurses with over 30 years of experience. We bring in licensed professionals to train our employees in first aid and other essentials in geriatric care (such as standard precautions, basic psychological care, activities of daily living assistance, medication administration, and more). Plus, we accommodate in home visits from therapists, doctors, and primary care physicians and supervise prescriptions in line with the physician's orders.

Set up across three convenient, licensed facilities, our [personal care homes](#) are located in some of the greatest neighborhoods that Camarillo has to offer. Whether they're adjacent to Leisure Village and shopping center or nestled in the beautiful Las Posas Estates, our

[board and care homes](#)

take full advantage of wonderful Southern California and its weather. Camarillo's well regarded for its quiet, safe communities and the neighborhoods of our personal care home facilities are no different. We do plenty of outside activities, including exercise and daily walks. Call us today at (805) 701-1246 or go to
