

[Assisted living in Camarillo](#) at Sally's Residential Care Home is a great way for seniors to feel invested in a thriving and gorgeous community. Camarillo is a fantastic place to live and the Sally's Residential Care Home team takes advantage of its beautiful surroundings whenever possible. Daily walks around our serene neighborhoods, activities between the three facilities that comprise Sally's Residential Care Home, and a close proximity to other senior living communities and popular shopping malls all make our locations perfect for residents who love having an active social life.

The residents in our [senior assisted living facilities](#) integrate themselves into the Camarillo community in other ways, as well. Camarillo's Pleasant Valley district has a senior center, which offers screenings, entertainment, seminars and many other activities. The city itself even provides transportation through an affordable and senior-friendly dial-a-ride service.

For those who prefer to stay in, Sally's Residential Care Home offers plenty of entertainment at home. Performances at Sally's Residential Care Home bring in artists from the local area that teach our residents a little bit about Camarillo even while they're being entertained. Also, our residents have input on the activities we pursue, which has led to special dinners and cultural events that are fun and inspirational.

Above all else, however, we strive to create a supportive environment that respects the individuality of each of our residents. What separates us from many other [assisted living companies](#) is this dedication to providing personalized assistance in a home-like environment.
